Sir:

I, THOMAS R. LAMPE, am an attorney registered to  
practice before the U.S. Patent and Trademark Office.

An infringing product covered by the above-identified  
application is actually on the market.

A rigid comparison of the infringing product with the  
claims of the above-identified application has been made and, in  
my opinion, some of the claims are unquestionably infringed.

I have caused to be made a careful and thorough search  
of the prior art and the references located in the search are  
already of record in the above-identified application.

I hereby certify that this correspondence is  
being deposited with the United States Postal  
Service as first class mail postage prepaid in  
an envelope addressed to: Commissioner for  
Patents, Alexandria, VA 22313-1450, on
